

SAGA **SYNCRO DUO**

FOR SYNCHRONIZED DOUBLE
DOOR OPENINGS

helaform[®]
SLIDING DOOR SOLUTIONS

SAGA combines ELEGANT DESIGN and HIGH-END MATERIALS

MANY COLOR OPTIONS

Track and brackets can be anodize to a certain color to match your door or the environmental color scheme

HIDDEN MECHANISM

The markets first synchronizing mechanism that can be installed completely inside a design element.

SMOOTH AND LIGHT SLIDE

The precision manufacturing and thoughtful design give a silent and light sliding action when using the door

SYNCHRONIZED MOVEMENT

With Syncro Duo, the doors are connected to each other so that both doors open simultaneously by just moving one leaf.

DURABLE AND MAINTENANCE FREE

The high-quality materials used in the series guarantee long-lasting and maintenance free operation of the system.
